

## Assignment for 7: The David Beckham UNICEF Fund charity events

*-With UNICEF Goodwill Ambassador David Beckham,  
a supporter of UNICEF over 15 years-*

We take pleasure in announcing that we, MK Trust Co. Ltd, were assigned by 7: The David Beckham UNICEF Fund, headquartered in UK, for its charity events organization in Asia in the next three years.

Since we strongly feel sympathetic to Mr. David Beckham for his 15 year activities as a UNICEF Goodwill Ambassador and for his commitment that he spends all the funds that he raises only on the UNICEF's supporting plans except for the deduction of minimum expenses, we enthusiastically take this assignment for the fund raising events. Mr. Beckham launched the Fund on 9<sup>th</sup> February 2015 for the purpose of protecting and supporting millions of children across the world.

We are much honored to be assigned by UNICEF for such an important role in appreciation of our steady social contributions and assume the significant responsibility.

For the next three years, we are very much committed to making the charity events successful by provoking as many goodwill people as we can reach for the donation so that the events will create bright futures for the children all over the world.
