

## His Royal Highness the Prince of Wales visited our Chairman's guesthouse

His Royal Highness the Prince of Wales met with our chairman Ms Miky Kambara and her sons at our Chairman's guesthouse (The interior of the guest house was designed by Dr. Kengo Kuma) during his trip to Tokyo last October as he attended the enthronement of Emperor Naruhito. Ms Kambara is a patron of the Prince's Foundation. The foundation aims at realising HRH The Prince of Wales's vision of creating harmonious communities. Respecting the Past, Building the Future. Over the years the Prince's Foundation supports people to create community. Whether through championing a sustainable approach to how we live our lives and build our homes, teaching traditional arts and skills and restoring historic sites, or by looking after places to visit for everything to enjoy, the Prince's Foundation is leading the way forward.
